Training Webinar Series

DW 2020 What’s New
The training webinar series for DW 2020 What’s New is designed to give attendees a detailed understanding of some of the more complex new features included in the DELMIAWORKS version release DW 2020. This is a 3-part series with each session lasting 1-2 hours.

- **Work Order Hard Allocation**
  - Duration: 1 hour
  - New hierarchy for increased flexibility
  - Improved WMS repacking process
  - Flexible allocation with minimal impact to purchasing evaluations

- **Inventory Activity Cost Journal (IACJ)**
  - Duration: 2 hours
  - Difference between legacy module (PIT) and new module (IACJ)
    - Role of recipe Cards
    - “On the fly” journal entry preparation
    - General features
  - Processing transactions
  - Account Activity information
  - Considerations for transitioning from PIT to IACJ

- **Version Upgrade Process**
  - Duration: 2 hours
  - General considerations and changes
    - Major Releases, Minor Releases, Service Packs
    - Migration from FTP to 3DEXPERIENCE platform
  - Oracle version considerations
  - Documentation resources
    - What’s New documentation (PDF, Online) and videos
    - Know Before you Go
    - Upgrade Financials Preparation
    - Upgrade Procedure
  - Update process overview

**Training Policy**
Virtual training sessions are presented via GoToWebinar. Training will be on the trainer’s data and there will be an opportunity for question and answer at the end of the session. Please contact our Training Department at 805-227-1122 Ext.4, or email training@iqms.com for course availability and pricing information.
Customer Cancellation & Reschedule Policy

- 49 hours or more, no charge
- 48 hours or less, 50% charge

DELMIAWORKS reserves the right to cancel Virtual Training Classes due to lack of enrollment.
